Portfolio: Fawlty22.github.io/MatthewKeys-Portfolio

User-focused Full Stack Developer with a strong proficiency in JavaScript, React, MySQL, and MongoDB. I am seasoned in improving operational performance and adapting to challenges, and creative in conceiving strategies and executing plans. I have a bachelor's degree in Philosophy from the State University of New York at Geneseo, and I have received a certificate in Full Stack Web Development from the University of Utah. Teams and companies value me for my positive attitude, intellectual rigor, and creative strategic approach.

Education

University of Utah – Salt Lake City, UT
